Trivia night, booked for September, at the Lilydale Scout Hall. Rae to sign forms.

Go Carting in July, Bayswater. 23rd July???

16. smoking area to be re-signed

Johnny has the signs required. Still to be installed.

17. marketing

Would be good to re-advertise The Come And Tries, but we probably need more coaches....Push the High Schools with their Sports Programs... but the midweek coaches required is difficult with the club members working themselves. Only Anthony or Jarred are qualified to run these level 2 events.

18. Fundraising

Trivia Night as a fundraiser, silent auction on the night ...requests going out by Rae for donations... Rae to M.C.... Hall booked for the event, cost of hall \$100 for the night. Possible cost per head \$25. tea and coffee provided, people to BYO food and drink... we could possibly supply sweets to have with the coffee. Mark to send out expressions of interest for the gocarts.

19. club comps

We need someone to contact Sherbrooke..re Shearing Cup.

20. Key register

Shortly the keys will be updated so that one key will work for the equipment and maintenance containers and new kitchen.

21. shooting shelter

Nothing happening currently. Waiting for more money ..grants.

22. birthday/ corporate events

It would be great to have a corporate group once a month for Fund Raising, as the club can make \$1000 after paying the coaches. Birthday Parties have been costed for the public..are we, however, going to charge differently for the members?? Saturday is the only day when coaching is not charged. \$15 a head for members and no coaching fees. Public \$20.

23. ride on mower

Mark has proposed that the club buys the Toro Commercial Ride-on mower, with a 60-inch cut that will reduce the cutting time from 4 hours to about 1 and a half hours, also to keep our old mower for around the clubrooms as it doesn't owe us any money and won't be doing the long hours and is easier around a tight area. Go ahead..seconded by Bob and Bill and Laurie. \$500 deposit required...6 month wait for delivery.

24. working bee

The next working Bee booked for the 28th of May.

25. Next Meeting Date
